ABOUT US

At LG Marine Enterprise, their specialty is premium, sustainably produced seafood items including sea cucumbers and dried seaweed. With an eye toward freshness, quality, and customer happiness, their goal is to provide tasty, nutritious products to accentuate your meals.

Dried Seaweed

A nutrient-dense superfood full of vitamins, minerals, and antioxidants, our quality dried seaweed are perfect for salads, soups, snacks, or for garnishing. They give any food a savory, umami taste. Naturally dehydrated for best freshness and quality.

Sea Cucumber

Our premium sea cucumbers are a treat; noted for their unusual texture and health advantages. Perfect for soups, stews, and classic cuisine, it is high in protein, low in fat, and bursting with vital minerals. a healthy addition to your cookery repertoire.
